Correction for 'Ni²⁺ chemistry in pathogens – a possible target for eradication' by Magdalena Rowinska-Zyrek et al., *Dalton Trans.*, 2014, **43**, 8976–8989.

The name of program and organization, which supported our research, is given incorrectly. Now, it should read: The research was supported by Wroclaw Research Centre EIT+ under the project “Biotechnologies and advanced medical technologies” – BioMed (POIG.01.01.02-02-003/08) financed from the European Regional Development Fund (Operational Programme Innovative Economy, 1.1.2).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
