Full details of the funding for this research were not included originally. The authors would like to acknowledge that the research used Beamline 17-BM at the Advanced Photon Source, a U.S. Department of Energy (DOE) Office of Science User Facility operated for the DOE Office of Science by Argonne National Laboratory under Contract No. DE-AC02-06CH11357.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
