Within the **Reagents and newborn urine samples** section, on p. 6003, the second paragraph contains incorrect information and should be replaced with the following:

“Urine samples from previously diagnosed newborns were obtained from the center for diagnosis of metabolic diseases (CEDEM; Madrid, Spain).”

Ref. 24 is also removed from both the text and the References list and the subsequent reference citations within the paper are not renumbered. Therefore, this article does not contain any citation for ref. 24.
