Correction for 'Synthesis of L-rhamnose derived chiral bicyclic triazoles as novel sodium-glucose transporter (SGLT) inhibitors' by Siddamal Reddy Putapatri *et al.*, *Org. Biomol. Chem.*, 2014, **12**, 8415–8421.

The authors regret that the structure for compound **13r** was given incorrectly in Scheme 4. The correct scheme is shown below.

**Scheme 4** Synthesis of bis-fused bicyclic triazole **13r**.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
