Correction for 'A dual-functional indium-organic framework towards organic pollutant decontamination via physically selective adsorption and chemical photodegradation' by Qing Li et al., J. Mater. Chem. A, 2017, DOI: 10.1039/c7ta02216f.

The authors regret the incorrect placement of Fig. 11 and Fig. 12 in the original article. Fig. 11 and Fig. 12 are reversed. The figure captions are not affected by this change. Please see below for correct figure numbers and captions.

Fig. 11 The CODCr changes of MB, MO and MB + MO mixture before and after UV or visible light irradiation in the presence of 1.
