Correction for 'The nanoscale structure of the electrolyte–metal oxide interface' by Hans-Georg Steinrück *et al.*, *Energy Environ. Sci.*, 2018, DOI: 10.1039/c7ee02724a.

rsc.li/ees

There was a typographical error in part of eqn (1) on page 3.

In eqn (1) the term  $\frac{\rho_{\text{sub}} - \rho_{\text{bulk}}}{2}$  should read  $\frac{\rho_{\text{sub}}}{2}$ .

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
