Correction: Recent advances in air electrodes for Zn–air batteries: electrocatalysis and structural design

Xiaoyi Cai,[b] Linfei Lai,*[ab] Jianyi Lin[b] and Zexiang Shen*[b]

Correction for 'Recent advances in air electrodes for Zn–air batteries: electrocatalysis and structural design' by Xiaoyi Cai *et al.*, *Mater. Horiz.*, 2017, **4**, 945–976.

The authors regret an error in the citation on page 968, line 8, "Even after 1500 pulse cycles, no significant voltage degradation was observed (Fig. 18e).[97]" should be "Even after 1500 pulse cycles, no significant voltage degradation was observed (Fig. 18e).[238]"

Additionally, on page 976, reference 238 should read: "D. U. Lee, J.-Y. Choi, K. Feng, H. W. Park and Z. Chen, *Adv. Energy Mater.*, 2014, **4**, 1301389."

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
