Correction for 'Band gap modification and photoluminescence enhancement of graphene nanoribbon filled single-walled carbon nanotubes' by A. I. Chernov *et al.*, *Nanoscale*, 2018, DOI: 10.1039/c7nr07054c.

The authors have noticed that in the originally published version of this article, references 23, 24 and 34 contained errors in the journal name. The corrected references are listed below in their respective order.^{1,2,3}

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
