Correction for 'Sexual pheromone detection using PANI·Ag nanohybrid and PANI/PSS nanocomposite nanosensors' by Janine Martinazzo *et al.*, *Anal. Methods*, 2021, **13**, 3900–3908, DOI: 10.1039/d1ay00987g.

The affiliations of Rafaella Takehara Paschoalin and Andrey Coatrini Soares were incorrect in the original article. The corrected affiliations are given herein.

In addition, the acknowledgements were incomplete in the original article. The correct acknowledgements are given below.

The authors would like to thank the National Council for Scientific and Technological Development – Brazil (CNPq), Coordination for the Improvement of Higher Education Personnel – Brazil (CAPES) – Finance Code 001, Research Support Foundation of the State of Rio Grande of Sul – Brazil (FAPERGS), and Finep for their financial support. Rafaella Takehara Paschoalin and Andrey Coatrini Soares would like to thank São Paulo Research Foundation (FAPESP) (Grant numbers #2018/18953-8, #2018/22214-6 and #2017/18725-2). The authors also acknowledge Embrapa Biotechnology (Brasilia) for giving the pheromones and URI Erechim for laboratory facilities.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
