The authors regret that an incorrect version of Fig. 4 was included in the original article. The correct version of Fig. 4 is presented below.

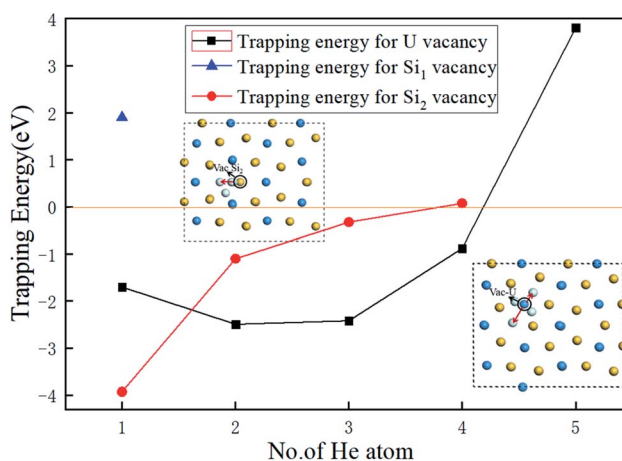

Fig. 4 The dependence of the trapping energy on the number of He atoms trapped in Vac-U, Vac-Si<sub>1</sub>, and Vac-Si<sub>2</sub> vacancies of  $U_3Si_5$ .

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
