The authors regret a mistake in the Acknowledgements section. The sentence “A. K. extends his appreciation to the Deanship of Scientific Research at King Khalid University for funding this work through research groups program under grant number RGP1/181/41.” should read “A. K. and P. Y. extend their appreciation to the Deanship of Scientific Research at King Khalid University for funding this work through research groups program under grant number RGP2/86/42.”

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
