The Royal Society of Chemistry is hereby retracting this *Physical Chemistry Chemical Physics* article due to evidence of authorship manipulation. The Royal Society of Chemistry has been informed that Luke R. Anderson and Andrew M. Ediger have never been affiliated with Virginia Polytechnic Institute and State University, and the email address listed on the published article is not genuine.

The authors have been informed but have not responded to any correspondence regarding the retraction.

Signed: Michael Rowan, Executive Editor, *Physical Chemistry Chemical Physics*
