Correction: Solution-processed orange and white OLEDs sensitized by an electroactive pure organic room-temperature phosphorescent polymer

Yiting Tian,^a Renze He,^b Guoyun Meng,^{*b} Shumeng Wang,^{*c} Lei Zhao^c and Junqiao Ding^{*bd}

Correction for 'Solution-processed orange and white OLEDs sensitized by an electroactive pure organic room-temperature phosphorescent polymer' by Yiting Tian et al., *Mater. Adv.*, 2023, **4**, 3323–3329, <https://doi.org/10.1039/D3MA00326D>.

The authors regret that the funding information in the Acknowledgements section of the original manuscript was incorrect. The corrected Acknowledgements section is as shown below.

We thank the National Natural Science Foundation of China (No. 51873205) and Yunnan Fundamental Research Projects (No. 202301BF070001-008) for the final support. We also thank the Advanced Analysis and Measurement Center of Yunnan University for the assistance with instrumentation.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
