Correction: CO_2-promoted hydrogen production in a protonic ceramic electrolysis cell

Nikolay Danilov,[ab] Arthem Tarutin,[ab] Julia Lyagaeva,[ab] Gennady Vdovin[a] and Dmitry Medvedev*[ab]

Correction for 'CO_2-promoted hydrogen production in a protonic ceramic electrolysis cell' by Nikolay Danilov *et al.*, *J. Mater. Chem. A*, 2018, **6**, 16341–16346.

The authors regret an error in the Fig. 2(d) caption. The text "$U = 1.3$ V" in the published version should instead read "$U = 1.6$ V".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
