Correction for 'Co₃O₄-nanoparticle-entrapped nitrogen and boron codoped mesoporous carbon as an efficient electrocatalyst for hydrogen evolution' by Duihai Tang et al., *Dalton Trans.*, 2019, DOI: 10.1039/c8dt05033c.

The authors regret an incorrect figure was published in their original submission. The correct figure is shown below (Fig. 1).

Fig. 1 (a–c) XRD patterns of the electrocatalysts, and (d–f) Raman spectra of the electrocatalysts.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
