Correction: Heterometallic complexes combining \([\text{Mn}^{III}(\text{salpn})]^+\) and \([\text{Fe(CN)}_6]^{4-}\) units as the products of reactions between \([\text{Mn}^{III}(\text{salpn})(\text{H}_2\text{O})\text{C(CN)}_3]\) and \([\text{Fe(CN)}_6]^{3-/-4-}\)

There was an error in the value of \(J_{22'}\) on Page 7, Left Column, Line 50: \((J_{22'} = 0.92 \, \text{K} \ll 2 \, \text{K})\) should read \((J_{22'} = 0.64 \, \text{K} \ll 2 \, \text{K})\).

The corrected sentence is:

This is because the measurements were performed at the temperatures much higher compared to the value of the intra-dimer coupling constant \((J_{22'} = 0.64 \, \text{K} \ll 2 \, \text{K})\).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
