Correction for 'Identification of a novel class of autotaxin inhibitors through cross-screening' by Diana Castagna *et al.*, *Med. Chem. Commun.*, 2015, 6, 1149–1155.

The authors regret that there was an error in compound 24 (Scheme 3). The ethyl ester group should be a methyl ester group. The corrected scheme is shown below.

Scheme 3

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
