## Correction: Biophysical regulation of hematopoietic stem cells

C. Lee-Thedieck<sup>\*a</sup> and J. P. Spatz<sup>b,c</sup>

Correction for 'Biophysical regulation of hematopoietic stem cells' by C. Lee-Thedieck *et al.*, *Biomater. Sci.*, 2014, DOI: 10.1039/c4bm00128a.

On page 4 in the “Integrin-actin link” section the sentence “Non-muscle myosin II exists in two isoforms (IIA and IIB) both of which are expressed by HSCs” should be “Non-muscle myosin II exists in three isoforms, two of which (IIA and IIB) are expressed by HSCs” since non-muscle myosin II exists in 3 isoforms.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
