Correction for 'Crystal structure and microstructural changes of molybdenum nitrides traced during catalytic reaction by *in situ* X-ray diffraction studies' by Valeria Tagliazucca *et al., Phys. Chem. Chem. Phys.*, 2014, **16**, 6182–6188.

Fig. 4 in the original publication does not correspond to the sample discussed. The correct data are shown below.

Fig. 4 Selected powder diffraction patterns collected in situ during NH_3 decomposition with MoN-650.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
