Correction for 'Co-delivery of 5-fluorocytosine and cytosine deaminase into glioma cells mediated by an intracellular environment-responsive nanovesicle' by Lu Wang *et al.*, *Polym. Chem.*, 2014, **5**, 4542–4552.

Fig. 7A in the paper is incorrect. The correct version of Fig. 7A is shown below.

Fig. 7 (A) Fluorescent images of 293 T cells, C6 glioma cells after transfection of PPDM/pEGFP and PPDM/pCMVCD nanocomplexes. Original magnification: 100x.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
