Correction: White light emission from a mixed organogel of lanthanide(III)-containing organogelators

Hyungwoo Kim and Ji Young Chang*

 Correction for 'White light emission from a mixed organogel of lanthanide(III)-containing organogelators' by Hyungwoo Kim et al., *RSC Adv.*, 2013, 3, 1774–1780.

Fig. 2a in the original manuscript was mistakenly a repeat of Fig. 3a. The correct Fig. 2 is as follows:

 Fig. 2 TEM images of dry gels obtained from Eu2 (a) and Tb2 (b) in *n*-decane (2 wt%).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
