Correction for 'Synthesis and properties of low bandgap star molecules TPA-[DTS-PyBTTh<sub>3</sub>]<sub>3</sub> and DMM-TPA[DTS-PyBTTh<sub>3</sub>]<sub>3</sub> for solution-processed bulk heterojunction organic solar cells' by Kimin Lim *et al.*, *J. Mater. Chem. C*, 2014, **2**, 8412–8422.

The colours of the traces in Fig. 5a and 6a were incorrect as the black and red colours were inverted. The correct versions of Fig. 5 and 6 are provided as follows:

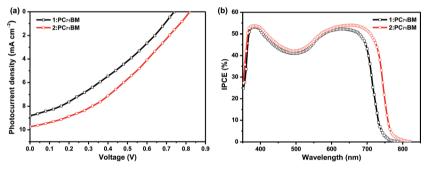

Fig. 5 (a) Current-voltage (J-V) characteristics under illumination, and (b) IPCE spectra of BHJ solar cells based on 1:PC71BM and 2:PC71BM active layers cast from CB.

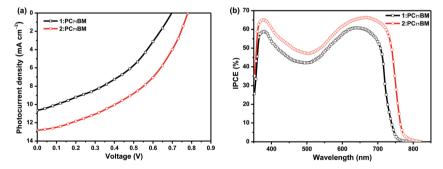

Fig. 6 (a) Current-voltage (J-V) characteristics under illumination, and (b) IPCE spectra of BHJ solar cells based on 1:PC71BM and 2:PC71BM active layers cast from 0.4% (v/v) CN/CB.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
