Correction for 'Separation of micro-phytoplankton from inorganic particulate in Antarctic seawater (Ross Sea) for the determination of Cd, Pb and Cu: optimization of the analytical methodology' by C. Truzzi et al., Anal. Methods, 2015, 7, 5490–5496.

In the Experimental section of this paper, the equation of Strathmann is erroneously cited at the end of the subsection "Qualiquantitative analysis of phytoplankton". The equation that should be cited here is that of Menden-Deuer and Lessard.

Ref. 32 should consequently be changed as follows: S. Menden-Deuer and E. J. Lessard, *Limnol. Oceanogr.*, 2000, 45, 569–579.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
