Correction: Silver-mediated direct phosphorylation of benzothiazoles and thiazoles with diarylphosphine oxides

Hui-Jun Zhang,* Weidong Lin, Zhengjian Wu, Wenqing Ruan and Ting-Bin Wen*

Correction for 'Silver-mediated direct phosphorylation of benzothiazoles and thiazoles with diarylphosphine oxides' by Hui-Jun Zhang *et al.*, *Chem. Commun.*, 2015, **51**, 3450–3453.

A reference was omitted from the original article. The following phrase should be included in ref. 7 after 7(e): "for one example of the peroxide-triggered C₂-phosphination of benzothiazoles, see: (f) X.-L. Chen, X. Li, L.-B. Qu, Y.-C. Tang, W.-P. Mai, D.-H. Wei, W.-Z. Bi, L.-K. Duan, K. Sun, J.-Y. Chen, D.-D. Ke and Y.-F. Zhao, *J. Org. Chem.*, 2014, **79**, 8407."

Additionally, it has been noted that ref. 3(e) is a repeat of 3(c) and thus can be ignored.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
