[www.rsc.org/chemsocrev](http://www.rsc.org/chemsocrev)

Correction for 'Developments and recent advancements in the field of endogenous amino acid selective bond forming reactions for bioconjugation' by Oleksandr Koniev *et al.*, *Chem. Soc. Rev.*, 2015, DOI: 10.1039/c5cs00048c.

The citation to references 383 and 384 on page 16 should read "Structurally similar to dibromomaleimides, but containing four attachment points instead of three, dibromopyridazinediones (PD) were recently described by Chudasama, Caddick *et al.*<sup>383,384</sup>".

Additionally, the reference listed below as ref. 1 is missing and should be included on page 38, after the citation to reference 786.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
