Correction for 'New avenues for ligand-mediated processes – expanding metal reactivity by the use of redox-active catechol, o-aminophenol and o-phenylenediamine ligands' by Daniël L. J. Broere *et al.*, *Chem. Soc. Rev.*, 2015, DOI: 10.1039/c5cs00161g.

The authors regret the omission of the reference listed below as ref. 1 from the original manuscript. The missing reference should be cited on page 13 upon discussion of Sarkar and co-workers' dinuclear Pt system **50** (see also Scheme 22 on page 14).

The Royal Society of Chemistry apologises for this error and any consequent inconvenience to authors and readers.
