Correction: Structure, function, self-assembly, and applications of bottlebrush copolymers

 Rafael Verduzco,^{*ab} Xianyu Li,^a Stacy L. Pesek^a and Gila E. Stein^c

 Correction for 'Structure, function, self-assembly, and applications of bottlebrush copolymers' by Rafael Verduzco *et al.*, *Chem. Soc. Rev.*, 2015, **44**, 2405–2420.

The statement “Anderson-Wile *et al.* studied the self-assembly of amphiphilic bottlebrush copolymers with alternating PEG and PLA side-chains.⁵⁰” on page 2415 of the original manuscript is incorrect and should read “Luo *et al.* studied the self-assembly of amphiphilic bottlebrush copolymers with alternating PEG and PLA side-chains.⁵⁰”

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
