Correction for 'Green synthesis of stable Cu(0) nanoparticles onto reduced graphene oxide nanosheets: a reusable catalyst for the synthesis of symmetrical biaryls from arylboronic acids under base-free conditions' by Najrul Hussain et al., *Catal. Sci. Technol.*, 2015, DOI: 10.1039/c4cy01229a

There is an error in the reaction time stated in the reaction scheme of Table 2. The corrected scheme is inserted below.

**Table 2** Microwave-assisted homocoupling of various arylboronic acids

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
