Correction for 'N-doped graphene quantum sheets on silicon nanowire photocathodes for hydrogen production' by Uk Sim *et al.*, *Energy Environ. Sci.*, 2015, DOI: 10.1039/c4ee03607g.

There was an error in the original eqn (4). This equation should instead read as follows:

$$a_m = (a_{GQS} \times a_{Si}) / \sqrt{a_{GQS}^2 + a_{Si}^2 - 2a_{GQS}a_{Si} \cos(\alpha_{GQS} - \alpha_{Si})} \quad (4)$$

In addition, the authors regret the omission of a footnote (†) indicating that the first two authors contributed equally to the paper. The corrected list of authors should appear as shown above.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
