Correction for 'Anti-diabetic activity of peony seed oil, a new resource food in STZ-induced diabetic mice' by Jianhui Su *et al.*, *Food Funct.*, 2015, **6**, 2930–2938.

In the original article, the Latin name for the tree peony under study was stated incorrectly. The correct Latin name for this species is *Paeonia suffruticosa* Andrews.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
