Correction for 'Facile synthesis of mesoporous spinel  $\text{NiCo}_2\text{O}_4$  nanostructures as highly efficient electrocatalysts for urea electro-oxidation' by Rui Ding *et al.*, *Nanoscale*, 2014, 6, 1369–1376.

In eqn (7) of the paper, the inner parentheses should not contain the parameter  $Y_0$ . The correct equation is:

$$Z_{\text{CPE}} = [Y_0(j\omega)^n]^{-1} \quad (7)$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
