The authors wish to make an amendment to the Acknowledgements section in the paper. The sentence "Work at the Advanced Photon Source was supported by DOE under Contract DEAC02-06CH11357" should read "Work at the Advanced Photon Source was supported by the DOE Office of Science under Contract No. DE-AC02-06CH11357".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
