Correction for 'Chemical vapor infiltration tailored hierarchical porous CNTs/C composite spheres fabricated by freeze casting and their adsorption properties' by Junjie Wang *et al.*, *RSC Adv.*, 2015, 5, 16870–16877.

A reference for the first step of the sample preparation is missing from the paper. The missing reference is listed below as ref. 1 and should be cited in the original paper in section 2.2.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
