Correction for 'Structural and magnetic properties of GaN/Mn nanopowders prepared by an anaerobic synthesis route' by Mariusz Drygas *et al.*, *RSC Adv.*, 2015, 5, 37298–37313.

The authors regret the errors in the units in Tables 1 and 2. The correct unit in the columns labelled "Amount" is [wt%] instead of the originally displayed [at.%].

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
