Correction: Structural optimization of super-gelators derived from naturally-occurring mannose and their morphological diversity

Fumiyasu Ono,^{*a} Hisayuki Watanabe^{ab} and Seiji Shinkai^cCorrection for 'Structural optimization of super-gelators derived from naturally-occurring mannose and their morphological diversity' by Fumiyasu Ono *et al.*, *RSC Adv.*, 2014, 4, 25940–25947.

The authors would like to amend the caption of Fig. 9, which incorrectly refers to compound **4** instead of compound **2**. The correct caption is:

Fig. 9 The molecular length of **2** by CPK molecular modelling on the basis of PM3 calculation and the proposed molecular packing of **2** in hydrogel and toluene gel.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
