 Correction for 'An efficient aqueous phase synthesis of benzimidazoles/benzothiazoles in the presence of  $\beta$ -cyclodextrin' by Ramesh Katla *et al.*, *RSC Adv.*, 2015, 5, 41716–41720.

The authors regret the omission of a reference in the original manuscript, which was inadvertently missed at the time of preparation of the manuscript.

The reference reports similar findings to those reported in the present article, therefore the authors would like to cite it as ref. 150, shown below as ref. 1.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
