Correction: Pattern-based sensing of aminoglycosides with fluorescent amphiphiles†

Ziya Köstereli, Rosario Scopelliti and Kay Severin*

Correction for 'Pattern-based sensing of aminoglycosides with fluorescent amphiphiles' by Ziya Köstereli *et al.*, *Chem. Sci.*, 2014, 5, 2456–2460.

The publication and the ESI† describe the amphiphilic dye **2**. This compound should feature a C17 instead of a C18 alkane side chain.

Main text:

- 1) 1st page, right side, line 3 from the bottom, "octadecane" should be replaced by "heptadecane".
- 2) Compound **2** depicted in Scheme 3 should feature a heptadecane and not an octadecane side chain.

ESI†:

- 1) The compounds **B** and **2** depicted in the reaction scheme should both feature a heptadecane and not an octadecane side chain.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
