 Correction for 'Programming macro-materials from DNA-directed self-assembly' by Xuena Zhang *et al.*, *Soft Matter*, 2015, **11**, 1862–1870.

The author would like to make a clarification to the biography of Rong Wang. The sentence "She was a Humboldt research fellow at Institut für Physics of Johannes Gutenberg-Universität Mainz between 2009 06–08 and 2011 06–08" should instead read, "She was a Humboldt research fellow at Institut für Physics of Johannes Gutenberg-Universität Mainz during June–August 2009 and during June–August 2011".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
