Correction: Regioselectivity in the Au-catalyzed hydration and hydroalkoxylation of alkynes

Justin A. Goodwin and Aaron Aponick*

 Correction for 'Regioselectivity in the Au-catalyzed hydration and hydroalkoxylation of alkynes' by Justin A. Goodwin *et al.*, *Chem. Commun.*, 2015, **51**, 8730–8741.

In the original manuscript, the conditions in Scheme 29 listed additives in error. The correct conditions for Scheme 29 should read: $[\{\text{Au}(\text{IPr})_2(\mu\text{-OH})\}[\text{BF}_4]]$ (0.5–1 mol%), toluene, 80 °C or 100 °C.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
