Correction for 'Selective and broad spectrum amphiphilic small molecules to combat bacterial resistance and eradicate biofilms' by Jiaul Hoque *et al.*, *Chem. Commun.*, 2015, **51**, 13670–13673.

In the original article, Fig. 1b, which displayed images of the treated and non-treated biofilms of *S. aureus* after staining with crystal violet was incorrect. Although there is no impact on the conclusions of the work the authors apologize for the error. The correct version of Fig. 1b is shown below.

Fig. 1 (b) Images of the treated and non-treated biofilms of *S. aureus* after staining with crystal violet.

In addition, the authors wish to cite the work presented herein as ref. 1 as ref. 8(d) in the original article.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
