Correction for 'Convenient C-alkylation of the [HCB<sub>11</sub>Cl<sub>11</sub>] carborane anion' by Rodrigo Ramírez-Contreras and Oleg V. Ozerov, Dalton Trans., 2012, 41, 7842-7844.

Since the publication of this article, the authors have identified an error in the acknowledgement section of their paper, namely that the U.S. Department of Energy-Office of Basic Energy Sciences grant number was incorrect, it should be DE-SC0005602, and not DE-FG02-06ER15815.

The corrected acknowledgements are as follows:

Support of this research by the U.S. Department of Energy-Office of Basic Energy Sciences (grant DE-SC0005602), the Welch Foundation (grant A-1717), and the Dreyfus Foundation (Camille Dreyfus Teacher-Scholar Award to O. V. O.) is gratefully acknowledged, as also is Dr Nattamai Bhuvanesh at Texas A&M X-Ray Services for his kind assistance in solving the crystal structure.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
