Correction for 'Ligand K-edge XAS, DFT, and TDDFT analysis of pincer linker variations in Rh(I) PNP complexes: reactivity insights from electronic structure' by Jason M. Keith, Scott R. Daly, *et al.*, *Dalton Trans.*, 2016, **45**, 9774–9785.

The authors regret the omission of one of the authors, Hyuk Yong Kwon, from the original manuscript. Hyuk Yong Kwon was an undergraduate researcher with Professor Jason M. Keith at Colgate University. He performed some of the DFT calculations and helped compile the DFT data included in the manuscript and ESI. Therefore the authors wish to add Hyuk Yong Kwon to the list of authors. The corrected list of authors and affiliations for this paper is as shown above.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
