## Correction: Effect of dibucaine hydrochloride on raft-like lipid domains in model membrane systems

Kazunari Yoshida,<sup>\*a</sup> Akito Takashima<sup>b</sup> and Izumi Nishio<sup>b</sup>

Correction for 'Effect of dibucaine hydrochloride on raft-like lipid domains in model membrane systems' by Kazunari Yoshida *et al.*, *MedChemComm*, 2015, 6, 1444–1451.

The authors regret that in the second line of Section 2.1 Materials (page 1445), the melting temperature of DPPC is shown incorrectly as  $-41^{\circ}\text{C}$ . It should be  $41^{\circ}\text{C}$ .

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
