Correction for "Fluorinated thiazolidinols cause cell death in A549 lung cancer cells via PI3K/AKT/mTOR and MAPK/ERK signalling pathways" by Ravindra M. Kumbhare *et al.*, *Med. Chem. Commun.*, 2016, DOI: 10.1039/c5md00603a.

The authors regret an error in the structure of compound **8c**, displayed in Scheme 1. The corrected structure is shown below.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
