Correction for ‘Design, synthesis and antiproliferative activity studies of 1,2,3-triazole–chalcones’ by Dong-Jun Fu *et al.*, *Med. Chem. Commun.*, 2016, DOI: 10.1039/c6md00169f.

The authors regret that there is an error in one of the substituents listed in Table 2. The R group listed for compound **9c** should be *m,m,p*-Trimethoxy instead of *o,m,p*-Trimethoxy.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
