Correction for 'Pd complex of an NNN pincer ligand supported on γ -Fe₂O₃@SiO₂ magnetic nanoparticles: a new catalyst for Heck, Suzuki and Sonogashira coupling reactions' by Sara Sobhani et al., *New J. Chem.*, 2015, **39**, 7076–7085.

The authors wish to notify readers that the data in Fig. 1, 2, 4 and part of Fig. 5, the XRD pattern for Pd-BIP- γ -Fe₂O₃@SiO₂, in the *NJC* paper have previously been published in Sobhani and Zeraatkar's *RSC Advances* paper, cited as ref. 15 in this *NJC* paper.¹

The data presented in this *NJC* paper are derived from the same experimental study as reported in the *RSC Advances* paper.

The findings relating to the application of this material as a catalyst in Heck, Suzuki and Sonogashira coupling reactions have not been published elsewhere.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
