Correction for 'CoPt/CeO<sub>2</sub> catalysts for the growth of narrow diameter semiconducting single-walled carbon nanotubes' by Lei Tang *et al.*, *Nanoscale*, 2015, DOI: 10.1039/c5nr05616k.

The authors wish to make the following amendment to the Experimental section of the original paper. In the section headed "Synthesis of the CoPt/CeO<sub>2</sub> catalyst precursors by impregnation method", the sentence beginning "Then, 220 μL of a H<sub>2</sub>PtCl<sub>6</sub>·6H<sub>2</sub>O ethanol solution (0.05 mol L<sup>-1</sup>)..." should read "Then, 1680 μL H<sub>2</sub>PtCl<sub>6</sub>·6H<sub>2</sub>O ethanol solution (0.05 mol L<sup>-1</sup>)..."

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
