Correction for 'Nanoscale structure and superhydrophobicity of sp^2 -bonded boron nitride aerogels' by Thang Pham *et al.*, *Nanoscale*, 2015, 7, 10449–10458.

The authors wish to make the following amendment to the Acknowledgements section in the original paper:

The section, “by the Air Force Office of Scientific Research under Grant X10-8049-C which provided for SEM and contact angle measurements” should read: “by the Air Force Office of Scientific Research under Grant FA9550-14-1-0323 which provided for SEM and contact angle measurements”.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
