Correction: Localized plasmon assisted structured illumination microscopy for wide-field high-speed dispersion-independent super resolution imaging

Joseph Louis Ponsetto, Feifei Wei and Zhaowei Liu*

Correction for 'Localized plasmon assisted structured illumination microscopy for wide-field high-speed dispersion-independent super resolution imaging' by Joseph Louis Ponsetto *et al.*, *Nanoscale*, 2014, **6**, 5807–5812.

The authors wish to make an amendment to eqn (1) in the original manuscript. The correct version of this equation is as follows:

$$m(\mathbf{r}, \varphi) = \{o(\mathbf{r})[1 + \cos(Kx + \varphi)]\} * p(\mathbf{r}) \quad (1)$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
