Correction for 'Cartilage-inspired superelastic ultradurable graphene aerogels prepared by the selective gluing of intersheet joints' by Jin-Yong Hong, et al., *Nanoscale*, 2016, DOI: 10.1039/c6nr01986b.

The authors wish to bring the reader's attention the omission of the grant number for the R&D Convergence Program of NST (National Research Council of Science & Technology) of Republic of Korea in the Acknowledgements section of the original version of the paper. The grant number for the program is (CAP-15-02-KBSI).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
